valued, protected, understood

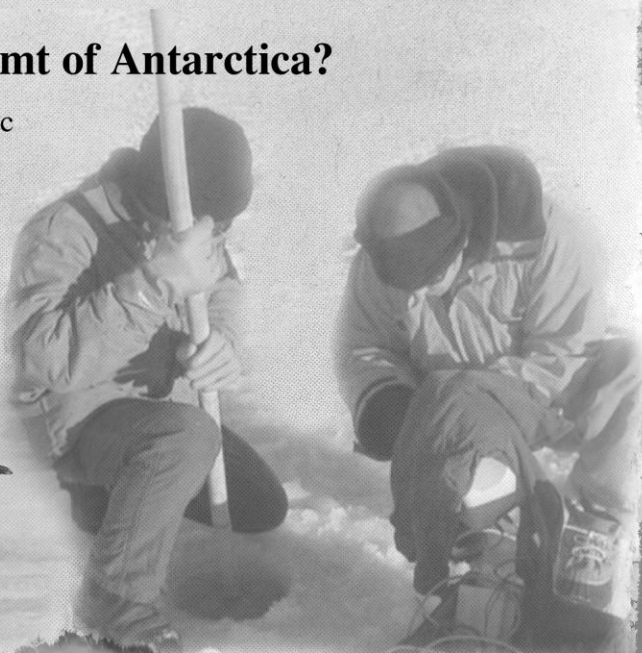

## Men and Women of Australia – Ever dreamt of Antarctica?

The Australian Antarctic Division, leader of Australia's Antarctic Program, is seeking men and women prepared to take on the challenge and excitement of working in Antarctica.

We have vacancies for highly competent people with well developed social skills and suitable **personal attributes**.

If you think you have what it takes, visit our website:

<http://www.aad.gov.au/employ/> for the skills and attributes you need to live and work in one of the unique places on earth.

RESPECT... *trumps harmony, every time*
